

SEAN AGUSTIN

IT Hardware Technician | IT Support

seanariel56@gmail.com | 09765447387 | Antipolo City, Philippines

PROFESSIONAL SUMMARY

BSIT student graduating in August 2026 with hands-on experience in IT support, hardware troubleshooting, quality assurance, and software development. Experienced in diagnosing and repairing computer hardware, developing web and Android applications, and quickly adapting to new technologies through self-directed learning and practical projects.

INTERNSHIP EXPERIENCE

IT Intern

Feb 2026 – June 2026

OLLOPA Corporation

- Performed quality assurance (QA) testing for web applications by identifying, documenting, and verifying software issues.
- Maintained and updated hotel listing information, ensuring accurate pricing and data consistency for a partner hospitality platform.
- Assisted in web platform maintenance and collaborated with team members to support daily operational tasks.

TECHNICAL REPAIR EXPERIENCE

ASUS VivoBook X515EP

- Diagnosed excessive hinge resistance, adjusted hinge tension, and replaced the internal battery to restore reliable operation.

Huawei MateBook D15

- Diagnosed and repaired a laptop that had failed to power on by cleaning internal components, applying new thermal paste and pads and reseating RAM, successfully restoring functionality.

Desktop Computer

- Troubleshooted and resolved a no-display issue by systematically testing hardware components and identifying a RAM connectivity problem.

PlayStation 4

- Performed preventive maintenance, including internal cleaning and thermal paste replacement, to improve cooling performance and reduce fan noise.

TECHNICAL PROJECTS

Queueing Management System (Capstone)

- Developed a web and Android-based queue management system using PHP, JavaScript, Flutter, Kotlin, MySQL, and Firebase.
- Implemented role-based access, appointment scheduling, and real-time queue monitoring to improve registrar service efficiency.

Conversative

- Developing a Facebook-inspired full-stack web collaboration application featuring user authentication, input validation, API integration, and secure request handling.

TECHNICAL SKILLS

IT Support

- Windows 10/11 Administration
- Windows Recovery & Troubleshooting
- Desktop & Laptop Hardware Diagnostics
- Preventive Maintenance
- BIOS/UEFI Configuration
- Driver Installation
- Basic TCP/IP Networking
- Microsoft Office & Excel

Programming & Development

- PHP • JavaScript • Flutter • Kotlin • Firebase •
- HTML5 • CSS3 • Tailwind CSS • MySQL / SQL • Git & GitHub
- Android Studio • Visual Studio Code

Diagnostic Tools

- CrystalDiskInfo • CrystalDiskMark • CPU-Z
- GPU-Z • HWiNFO • Rufus • 7-Zip • XAMPP
- Postman • FileZilla • Packet Tracer

Certifications

- IT Specialist – Python (Certiport)
- Networking Basics (Cisco Networking Academy)
- Introduction to Cybersecurity (Cisco Networking Academy)
